YES!

Youth Equipped for Success (Y.E.S.) is a multi-service non-profit 501(c)3 organization, assisting area youth and their families in identifying their potential, helping them to overcome roadblocks, and allowing them an opportunity to experience personal success. All young people, ages 12-17, in Spirit Lake and the surrounding area are welcome to participate

Y.E.S. seeks to provide a safe and constructive environment for our youth and our community through a combined network of schools, city officials, volunteers, businesses, churches, and other organizations in our area. We encourage and train youth to become productive adults who will, in turn, continue to be a thriving part of our community. To accomplish this goal, we intend to procure property and build a youth center in Spirit Lake.

We're looking for adult participants to serve on the Spirit Lake Y.E.S. Advisory Board. If you have a strong desire to help our area youth and would like to shape the future of this organization, please consider a one or two-year term on our Advisory Board. We're also looking for youth to join the Spirit Lake Y.E.S. Advisory Council and help choose programs, recreation opportunities and other activities for the Y.E.S. youth center.

If you know of any youth who would benefit from any of these services, please contact: Crystal Owens- Program Coordinator or Shelley Tschida- Executive Director (208)623-2539 spiritleakeyes@yahoo.com
