Congratulations to the Kootenai Alliance For Children & Families, recipients of the 2007 Prevention Award for Region 1, presented by the Idaho Department of Health and Welfare. The award recognizes an organization or coalition for implementing substance abuse prevention programs. Many of KACF's member organizations are dedicated to educating the community on substance abuse prevention. North Idaho Family Magazine has provided the means to have our message heard in a variety of venues. Thank you all for your contributions!
